

The **Journal of Engineering and Emerging Technologies (JEET)** is a high-quality, open access, and international refereed journal which aims to publish original research papers in areas of engineering and technology, including Civil Engineering, Mechanical Engineering, Electrical Engineering, Electronics Engineering, Computer Science and Engineering, Information Systems, and Technologies. This also covers multidisciplinary and interdisciplinary studies in engineering and technology education, management, and development.

**ISSN:** 2782-9421

**E - ISSN:** 2984-8172

**Frequency:** Annually

**Review Type:** Double-blind Review

**Submission Link:** <https://jeet.cspc.edu.ph>

This is an open access journal which means that all content is freely available without charge to the user or his/her institution. Users are allowed to read, download, copy, distribute, print, search, or link to the full texts of the articles, or use them for any other lawful purpose, without asking prior permission from the publisher or the author. This is in accordance with the BOAI definition of open access.
